

Perry Hill Science Fair Noncompetitive Class Feedback Form

Student:	_____
Teacher:	_____
Project Title	_____ _____

Survey	_____
Demonstration	_____
Model	_____
Collection	_____

Thank you for participating in the Perry Hill Science Fair. Your project qualified for the noncompetitive class in our fair because of the type of project you chose. Only experiments in which variables are manipulated and controlled can qualify for the Regional Science Fair. Hopefully, you had fun and learned a lot about a topic you were interested in. Your judge completed the checklist below to give you valuable feedback about your project.

Oral Presentation

- ☐ Completely explains the purpose of the project.
- ☐ Thoroughly explains how the project was completed
- ☐ Answers all of the judges questions
- ☐ Explains how the project relates to real life
- ☐ Spoke confidently with little prompting from the judge

Written Presentation

- ☐ Board is neat and attractive
- ☐ Board explains all steps of the project
- ☐ Board has few spelling or grammar errors
- ☐ Additional research is included
- ☐ Additional research is written in student's own words
